

FEL Carry Can

Mobile Refuse Cart Lifter

Bayne offers a full line of patented **FEL Carry Cans** to fit all OEM truck models. In addition to the patented Thinline[®] rack and pinion rotary actuator, Bayne also holds a patent on the combination of a cart lifter with an FEL Carry Can, thus allowing the hauler to operate one truck for both residential and commercial routes resulting in a reduction of total fleet cost. The FEL Carry Can has a 3 cubic yard capacity for less dump cycles and cart lifters can be mounted on the curb side and/or front of the carry can. FEL Carry Cans are constructed of 12 gauge steel for durability.

- Compatible with both semi-automated and fully automated roll-out carts
- Designed to provide close access to containers on the curb
- Quick disconnect fittings allow for easy removal of the carry can when changing from residential to commercial routes
- Places cart to the center of the carry can when dumping to prevent spillage
- Powder-coated finish for durability
- 2-Year Limited Warranty
