REFUSE & RECYCLING BODY COMPANY

**CURB SORTER® SERIES**

# Side Dump Trailer

The **KANN Curb Sorter® Side Dump Trailer** is the low cost solution to efficient curb side recycling collection. This recycling trailer utilizes state of the art design and superior craftsmanship.

recycling unit has simplified curb side collection without the cost of a dedicated, single purpose truck.

The Curb Sorter® hoist mechanism elevates each container to a 62 IN height and extends the container out 28 IN, allowing the container to dump directly into a roll off, hopper, packer truck, or conveyor system. A low loading height of 42 IN makes collection fast and easy. The Curb Sorter® Side Dump

Side Dump Trailers are a complete trailer/container system. Standard units include five containers consisting of two 3.5 YD<sup>3</sup>, one 2.6 YD<sup>3</sup>, and two 1.7 YD<sup>3</sup> containers. Alterations to the standard arrangement are common and these units can be built to your specifications.

**FEATURES**

**CONTAINER SIZES**

- 1.7 YD<sup>3</sup>
- 2.6 YD<sup>3</sup>
- 3.5 YD<sup>3</sup>
- 4.4 YD<sup>3</sup>
- Low profile loading height of 42 IN
- Hoist mechanism elevates container to a 62 IN height, extends it 28 IN to the side, and tips for dumping
- Dual gas props
- Containers constructed of 14 GA steel, completely primed with white finish coat
- Trailer frame constructed from heavy duty 8 IN channel
- Recessed lights in sealed system with flashing amber beacon
- Automatic reset circuit breakers
- Twin 6000 LB torsion axles eliminate maintenance common with spring suspensions
- Heavy gauge steel fenders
- A heavy adjustable lunette eye on the a-frame tongue with a 7000 LB drop leg jack stand
- Push button operation with keyed safety switch prevents unwanted activation of hydraulics
- Self-contained electric/hydraulic power pack with pump, reservoir, and battery or suggested permanent magnet motor
- Arrangements available to dump all street side, curb side, or alternate
- Special paint

**OPTIONS**

- Various axles available in torsion or spring type
- Gooseneck hitch
- Spare tire and rim
- **SAFETY**
- 10 or 20 LB fire extinguisher
- **CONTAINERS**
- Manual loading
- Single or split container
- **LIGHTS**
- LED lights
- LED lights with strobe turn signals
- Strobe light
- **PAINT**
- Standard PPG other than white
- Metallic
- Multi-color
- Striping

*Each of the large side loading containers have dual gas prop assisted top hinge lids for easy loading and unloading.*

*Side Dump containers dump independently.*

Proudly built in the USA
