Recycle Bins That Fit Your Needs

- Allows commingled or source separated collection of recyclables.
- Designed to withstand rough handling and extreme weather conditions.
- Unique nesting design reduces distribution costs and makes containers convenient to stack and store.
- Large graphic area allows for the imprinting of a business, community or program logo.
- Available in a variety of colors to fit your program's specific requirement.
- Ergonomic handle design.
- Made from post consumer, high density polyethylene.
- Available with or without drain holes.

Available Colors

These colors are approximate representations. Colors may appear differently here than on the carts because of computer or printer rendering differences. Colors also appear different in plastic and on paper. For actual samples, please contact your salesperson, distributor, or Otto Customer Service for color chips.
